

Healthcare IT

WOW Global provides solutions and services to healthcare payers and providers, which include hospitals, physician groups, managed care organizations, medical billing companies, clearinghouses and insurance companies. We offer Healthcare IT consulting services, Healthcare IT products, and Healthcare BPO offerings to our clients.

"WOW excelled at delivering quality SAP consultants for our global implementation. We were very pleased with their consulting model which assisted us in building a successful team."

-Tim Corredine

Director of Business Systems, Interpublic Group

WOW Global Corporation, a certified Women-owned and Minority Business Enterprise (WBE/MBE), is an award-winning Healthcare IT company that provides customized Healthcare IT consulting, Healthcare IT products and Business Processing Outsourcing (BPO) solutions to physician practices, hospitals and healthcare organizations. Our strengths include EMR/EHR implementation and support services, EDI and XML integration, medical billing and claims processing and, HIPAA and security compliance. WOW Global has deployed more than 1500 consultants on over 350 projects in more than 25 states. Our key differentiators are:

- Practice based on the Carnegie Mellon University - IT Services Qualification Center's eSCM quality model
- Partnership with leading EMR/EHR vendors including Allscripts, Eclipsys and Greenway
- Dedicated Policy team monitoring latest Healthcare IT policies, news and impact on clients
- Expertise in HIPAA privacy and security compliance leveraging industry best practices and standards-based technology
- End-to-end offering to manage the 5010 and ICD-10 transitions, right from assessment to implementation and testing supported by consultants experienced in X12N 4010A1/5010 standards
- 24x7 global Healthcare IT services and support model

WOW Global has been recognized by "Forbes", "Pittsburgh Business Times", "SmartBusiness" and other nationwide media for its excellence and achievements.
